

Right to Counsel Coordinator
Temporary Position
(Spanish Language Required)

The Eviction Defense Collaborative seeks an enthusiastic individual to join our team in fighting for tenant rights and preventing homelessness starting immediately. The Right to Counsel Coordinator is an integral part of the Right to Counsel Program and is the initial point of contact for clients seeking rental and/or litigation assistance. Because we strive to be barrier-free and client-centered, the position requires individuals who truly enjoy working with people, have the skills and capacity to respond in an empathetic and respectful way to clients who are often in crisis, and can work effectively in a collegial and fast-paced environment. *This is a temporary position with the possibility of becoming permanent, funding permitting.*

At present, and until further notice, EDC is operating remotely due to the COVID-19 pandemic. EDC provides employees with the necessary IT equipment and remote access to work from home. EDC's COVID-19 Safety Plan adheres to the CDC's health and safety guidelines and the federal OSHA requirements for workplace safety.

The Organization

Eviction Defense Collaborative (EDC) is the only legal services organization in San Francisco solely focused on eviction prevention. EDC's goal is to prevent displacement, stabilize communities, and ensure housing equity in San Francisco. Formed in 1996 as the primary clearinghouse for tenants filing initial responses to unlawful detainers (UD), EDC has developed an effective, client-centered, trauma-informed, and culturally sensitive triage clinic model to process the high volume of clients through our daily, open door clinic model.

Only a select few cities in the United States have a universal right to representation for tenants facing eviction. In 2019, EDC was named as the Lead Partner for implementing San Francisco Tenant Right to Counsel. In this role, EDC has designed and is overseeing the implementation of tenant right to counsel.

We offer legal services in response to an eviction, tenant rights education, rental assistance, and advocacy for clients in shelter, all under one organizational umbrella. In 2019, EDC provided legal services to over 4,800 individuals (326 of which included full scope legal representation in an eviction proceeding - with a 100% rate of positive outcomes, successfully preventing displacement and homelessness). EDC disbursed \$816,318 in loans and grants to low-income tenants, and represented 267 shelter clients at hearings with an 87% success rate, keeping these clients housed at local shelters and off the streets. The Shelter Client Advocate program follows an empowerment model that incorporates a harm reduction approach. It utilizes restorative justice practices and provides skill building, improving relationships with shelter providers.

Our unique, comprehensive approach allows clients to receive the services critically needed to remain housed, while limiting their visits to multiple agencies (especially critical in a crisis, where every moment counts to prevent eviction). EDC prides itself on being the safety net for San Francisco tenants, serving tenants regardless of income, immigration status, or neighborhood.
